## Welcome back!

We hope you all had a good break and that the children return to school eager to do well this term.

We have some new children starting with us this week and we extend a friendly Duke Street welcome to them all.

I have really enjoyed looking at some of the summer holiday work that the children have done on Pirates, the Stone Age and Volcanoes! Some of the questions that the children said they wanted to explore in the topics they are studying this term were amazing. I am excited to find out what they discover in their studies in the coming weeks.

## Meet the Teacher Night Y1 to Y6 – Wednesday 26<sup>th</sup> September

*This is an opportunity to meet your child's teacher and find out about what life will be like for your child in their class this year. Parents of children in Years 1 and 2 are invited to come into school to see teachers in their classrooms from 6.00pm till 6.25pm. There will then be a brief talk in the hall, led by me for parents of children in Years 1 to 6, followed by an opportunity for parents of children in Years 3 to 6 to meet with Key stage 2 class teachers in their classrooms.*

*We ask that on this occasion, children are not brought to school for this meeting. Please complete the slip being sent home today to indicate whether you will be able to attend.*

## Pupil Data Collection Form

Please complete the pupil data collection form sent earlier this week as soon as possible. Although form filling can be a tedious task it is very important the forms are returned to enable us to ensure our records are as accurate as possible and we need a hard copy in case we have a problem with the computer or data system.
